(The fee does NOT include coaches cost of travel and parking for out of Region competition travel. It also does not include travel cost, hotel, meals for players. Club fees does not include cost of attending national tournament for teams that qualify.

**Playing Time Expectations**

It is important to note that club membership fees guarantees equal access for practice and training but **NOT** necessarily equal playing time in tournaments. In younger age groups and **Regional Silver Division Teams** every effort will be made to provide playing time at a minimum of 40% provided a player attends at least 80% of the practices including one of the last 2 practices prior to the tournament. Players executing better during pool play obviously might be given more playing time during single elimination championship rounds. On **Regional Gold & National teams** playing time is more competitive and is at Individual Coaches discretion based on established standards of each team.

Practices will be at one of the facilities located at 5110 NW Waukomis Drive, Riverside, MO 64151; PAC 6014 NW Hwy 9, Parkville, MO 64152 or LeVo Gym at 700 Argosy Pkwy, Riverside, MO 64151
